

PEDAPATI HEMANTH KUMAR

Electronics & Communication Engineering Graduate

8309194509 | marylali5416@gmail.com | East Godavari, Andhra Pradesh

Professional Summary

Results-driven Electronics and Communication Engineering graduate with a keen interest in Artificial Intelligence, Machine Learning, and software engineering. Equipped with strong analytical and problem-solving skills, along with knowledge of Python, web technologies, AI tools, and embedded systems. Passionate about designing intelligent, efficient, and impactful solutions by combining software innovation with electronics and emerging technologies. Committed to continuous learning and contributing to cutting-edge AI and technology-driven organizations.

Education

- B. Tech (ECE), Sree Vahini Institute of Science and Technology (2022–2026)
- Intermediate, Sri Gowthami Junior College (2020–2022)
- SSC, St. Joseph EM High School (2020)

Internships

IoT Internship – ExcelR: Learned IoT architecture, sensor interfacing, microcontrollers, and real-time monitoring systems.

VLSI Internship – SkillDzire: Learned VLSI design flow, CMOS concepts, Verilog HDL, and digital design fundamentals.

AI Internship – Corizo: Learned AI Skills, Machine learning concepts.

Academic Projects

A Real Time Aerial Video Surveillance Drone System – Designed and developed a quadcopter-based surveillance drone for real-time monitoring using Arduino and Embedded hardware components.

Smart Attendance Management System – Developed a digital attendance management system to automate attendance tracking, record maintenance, and report generation using AI skills.

AI Internship projects (corizo)

Spotify Music Recommendation System – Developed a machine learning-based music recommendation system using Spotify dataset analysis.

Cardiovascular Disease Prediction Using Machine Learning – Built a machine learning model to predict the likelihood of cardiovascular disease using patient health data.

Certifications

- Internship Certificate in IoT – ExcelR
- Internship Certificate in VLSI Design – SkillDzire
- Internship Certificate in Artificial Intelligence - Corizo
- Gen AI 101 – Foundations of Generative Artificial Intelligence | IT-ITeS SSC (NASSCOM)
- Yuva AI for All – Artificial Intelligence Fundamentals | NASSCOM FutureSkills Prime
- Bridge Course in Electronic Components & Equipment

Achievements - Leadership & Extracurricular Activities

Represented **JNTUK** in Inter-College Volleyball Tournament

Served as **Team Captain**, leading a 9-member volleyball team.

Secured **First Place** in District Level Volleyball Competition organized by **Nehru Yuva Kendra, Vijayawada**.

Languages

Telugu - Native

English – Intermediate Proficiency

Hindi - Basic Knowledge (Learning)
